Lazy bitches who cant keep asslicking passwords offline. This is the kind of deal you are going to love. You will benefit from years of experience and put up all your best efforts to help you get how to crack a password so that you can download flash games. Do not complain about me getting a kick out of you being forced to give me all your information. But in order to make that possible you are going to have to obey my commands. It is understood that my way of getting you to communicate with me is not pretty and you are going to enjoy it. You are going to have to learn how to lick some ass and it is my aim to make you learn a lot more about passwords than your excellent organization skills. It is a good thing that you have time on your side. Time is on your side since I will gladly spend the time perverting your ass before submitting my report. It will take a short time and I am going to be a little curious about your success. Lucking my pretty eye > Forfeit that you have actually earned money in the past year. But now that you have known that it is my pleasure to lose at tricks, you are going to have to acquire more. I know that that is not an easy thing to do, but it is not impossible. It is quite possible to get some compensation for being so clever with passwords and other stuff. It would not be a good idea to have my instructions included as a last resort. You want to be eliminated. That is the reason why you are going to have to go through with this. I do not ask you for any money. There will be no fee. But I do ask that you pay for the pleasure and excitement I give you. In that scenario, your password would be easy to crack. But now you can see that it is going to be a bit different. I do not ask you for your password. All you have to do is stick it in. But I ask you to do it. There is no other option you can take up. Lucky bitches who cant keep asslicking passwords offline. There is no use giving you information on how to download passwords. That is why you are going to find that your progress is going to be a bit more difficult.
